

**Candidate name: Brent Siemers**

**KCDG: #1835**

**PDGA: #79054**

**Education: BS in Economics Kansas State 1996**

**Occupation: Director of Operations at Big Red Tickets**

**Year of Birth: 1972**

**How to contact Brent: [brent.siemers@gmail.com](mailto:brent.siemers@gmail.com), 816-686-8416**

**Disc Golf Experience** (including the year you first played):

I played in college in the mid 90's. Took a long time off and started playing recreationally again around 2009—maybe once a month. Starting in 2015, I began to play local club leagues, and started playing several times a week.

**Professional Experience:**

I'm kind of a jack-of-all-trades at our small business. I dabble in accounting, customer retention, marketing, etc. I'm organized and can manage a project from conception through completion.

**Brent's Platform:**

I've been on the board for the past 3 years, taking over for a board member that resigned and then I was elected once. I've been doing the role of treasurer; established an online Quickbooks account that links to our bank and PayPal activity. I've kept our books, setting up our chart of accounts, and working with our accountant to file our 2019 taxes. I've also been responsible for 2018 Disc Golf Day, and co-run the last two KCDG Club Championships with Dick Parker. I run the club summer league at Rosedale. And I've volunteered at the 2019 KCWO.

It sounds like we may have a professional accountant on the board to take over the treasury. In that case, I would love to spend some more time on outreach to increase club membership, and help organize at few course workdays.
