

3-13-23 KCDG March Meeting Minutes

Present:

- Chris Timko
- Gabo Toro
- Laura Hayes
- Jan Stumfoll
- Pete Cashen
- John Thompson (JT)
- Michael Belancio
- Cary Rivard

Ice Bowl Update – Lupe

- Auction was a big success. Thanks to Timko
- Very few expenses, around \$2000
- Net was around \$10,300 from DGscene page
- Mulligans were a big success
- Also additional donations were helpful
- Someone needs to confirm that the DGscene payment went to PayPal
- Also some funds developed from GoFundme (Rick organized this)
- It sounds like only the FB items were donated directly to the charities.
- The funds will be split down the middle so this will need to be accounted for with the FB
- Lupe is going to find out if any donations came straight to the charities
- Once that is done, we'll make a final decision on the donation.
- Thanks Lupe! Excellent work on this!!

Disc Golf Day

- Going to be at WW park
- Games, CTPs, fun stuff
- Need Jerry here, he ran the event before
- Profits go to support the KCWO
- May 20
- Good opportunity to recruit new membership?

Cliff Drive Events/Leagues

- Last year we voted to shut down events/leagues at Cliff Drive in response to the shooting
- There are some other folks interested in getting a league going again.
- Two questions: Do we want to re-start the league? If not, do we need to make an announcement denouncing KCDG of the league that starts?
- Discussion
 - If it is going to be a KCDG course, then we should host a league there
 - Where is the city in all of this? They have moved on.
 - What is our actual liability? If waivers are signed and with our new insurance products, then it's very small/low. However, a short warning statement might make sense to help protect us.
 - Question about waiver: It is for the general public. Doesn't have to be a member.

- Generally folks think it's time to re-open events at Cliff
- Michael made a motion to re-open Cliff League for 2023. JT seconded. Passed unanimously.

New Business

- Chill at the Hill Tournament – 8/20
 - Derek Brockerd TD - Will need to add him as a viewer of the waiver sheet so that he can tell if people have signed it
- Dubs at Waterworks – 12/9
- East vs. West – 8/11
 - They need to do their own course reservations for shelters, etc.
- Jan made a motion to approve the three tournaments. Pete seconded. Passed unanimously

- Meeting minutes will start being approved at the start of the next meeting (eg Feb minutes approved during March meeting).

- Gabo has been working on marketing
 - He has a statement regarding member benefits
 - He needs some data to fill out the statements
 - Laura will get him some numbers for volunteers
 - Needs access to social media admin
 - Wants to follow up on league sponsorship
 - Trying to determine dates for posts and newsletter
 - Timko will give Gabo access to Mailchimp and Facebook
 - Thanks to Gabo for his work on this!

Financial Update

- Michael hasn't gotten a chance to catch up with Brent yet, will hopefully do it soon
- Brent manages quickbooks/bookkeeping

MO Course Updates

- MOU updates about WyCo.
- New contact for WyCo reservations. Will add to google sheet
- Folks are using the volunteer tracker sheet, which is awesome!
 - Need to post a link on the KCDG page and Facebook Group
- UDisc signs for Kansas Courses are here. Pete is going to help get some hardware to mount them
- City Park – Contractor didn't finish last year. But they are started back on it now. Hoping to finish in about three weeks. Ribbon Cutting in late April. Planning to seed soon and have some boulders still coming in.
- Pete is going to inquire about Corporate Challenge pin placements, courses, etc.

Timko made a motion to adjourn. Michael seconded. Passed unanimously.

Meeting adjourned, 7:51 pm
